Car Park: The campus entrance from Storthes Hall Lane will be signed. Proceed all the way up the drive past the right hand bend as if you are leaving and look for the Car Park sign pointing right, before you go through the barrier! This is not the usual Campus car park.

Terrain: Storthes Hall is an attractive and very runnable area of mixed woodland and fields with a good path network and was used for JK 2016 Relays. Some of the University Campus will also be used.
