PDF maps will be available on Monday evening 3rd August. Please note these are in a different format to previous maps and produced using Open Orienteering map software.

We are using MapRunF again for this event and you should also look at James Williams' article and other information on the EPOC website to ensure you have a complete run.

This is a busy town and care should be taken crossing all roads. We strongly advise that all children under 16 be accompanied by an adult.

Please respect social distancing and other members of the public in all areas.

This is not an official British orienteering event and is not included under their insurance policy. Neither EPOC or Gilly Markham, the course planner, can be held responsible for accidents. You take part entirely at your own risk.
