MapRun6 or F: Read James Williams' article and other information on the EPOC website. Using either app will give confirmation of reaching the control and act as a results mechanism.

Safety: This is typical urban terrain and all courses cross roads which may be busy. Blue, Green and Short Green courses cross the A638 Halifax Road/High Street which can be very busy. Please take care crossing all roads even on quieter streets. All courses enter housing estates with narrow footpaths and blind corners. A small area noted to have debris and a couple of ginnels with significant broken glass have been deliberately avoided with no obvious route choices on any course going into this area, however please take care in all areas for hazards. Please also be mindful of locals who will not be expecting enthusiastic orienteers to appear out of nowhere.

All children under 16 must be accompanied by an adult.

Please respect social distancing and other members of the public in all areas.

This is an official British Orienteering activity and is included in their insurance policy. However, neither EPOC nor the course planner can be held responsible for accidents. You take part entirely at your own risk. If you are travelling alone, please ensure someone knows of your whereabouts and expected time of return.
