Maps: 1:7500 A4 OCAD maps will be available for printing from Friday 28th May. Please check for legibility but try not to plan your route in advance.

MapRun6 or F: Read the articles and other information on the EPOC website. Using either app will give confirmation of reaching the control and act as a results mechanism.

Control 48: The Blue course has control 48 in a wooded plantation. If the recent weather has been good, then road shoes will fine, however, if recent weather has been wet and rainy, then studs are recommended.

Safety: This is typical urban terrain and all courses cross roads that may be busy. All courses enter housing estates with blind corners, and the Blue and Green courses have route choices with narrow footpaths. Please be mindful of locals who may not expect orienteers to appear out of nowhere.

All children under 16 must be accompanied by an adult.

Please respect social distancing and other members of the public in all areas.

This is an official British Orienteering activity and is included in their insurance policy. However, neither EPOC nor the course planner can be held responsible for accidents. You take part entirely at your own risk. If you are travelling alone, please ensure someone knows of your whereabouts and expected time of return.
