

Greenhead Park MapRun details

Greenhead Park is well worth another visit. It is extremely well tended and has some very interesting features, not least of which is the Park Cafe at the Eastern end of the Park. The start for the longer courses is on Grasmere Road where there is roadside parking. Please park considerately.

The longer courses cross the busy Rochdale Road so please take care when crossing but the Yellow Course is entirely within the Park so no need to worry about road crossings.

The courses will be available from Saturday 11th September
