**Safety:** A comprehensive risk assessment has been carried out by the organiser. The risks associated with competing in an outdoor environment are significant and need to be taken seriously by all competitors who take part at their own risk and are responsible for their own safety. Parents are particularly asked to emphasise these points with their children. If you have a medical condition that first aiders should know about in an emergency, please contact the organiser with details, in confidence. These details will only be used for the purposes of this event and will be deleted/destroyed afterwards.

**Hospital:**

The nearest hospital is Huddersfield Royal Infirmary,  
Acre Street, Lindley HD3 3EA

**Insurance:**

Members and Non -members of British Orienteering are covered by our public liability insurance. Please ask any of our club officials for more information if you would like to join EPOC and British Orienteering.
