## EDITORIAL

As you will all be aware there have been some substantial changes in the club since the last Epistle. Jean Lochhead is now Chairman (yes, after a lot of thought and research of other organisations Jean has opted to use the term Chairman), Emma is Vice Chair (a new role that was suggested to ensure that we have a back-up) and other members have been involved with a lot of behind the scenes work (more in the Chairman's Chat).

Don't forget to give your details to Rod Shaw for the Compass Sport Qualifying round on 12<sup>th</sup> March.

Emma Harrison

## CHAIRMAN'S CHAT

Since my investiture an awful lot has been going on. Anthony has 3 new toys (laptops) and along with Graham Booth and Mike Pownall, (who thinks he is no longer a member but we are hanging on to him), has been setting up the programmes for event results on the new laptops. This will

come as a relief for a Results/Download team who have had to do the best they could on old, slow and ailing equipment. Computers that is, not most of the members.

Ian Couch has selected Control boxes for new batteries and 29 of them have been sent for either repair or new batteries so that we do not have collapsing control boxes during our events.

Club Coach Viv, Emma and other Club members have plans for small events "Activities" using line Street "O" maps and also using our mapped parks. This will give members who have not been involved in organising before a chance to have a try at setting up a CATI – these events won't be elaborate and will be easy to put on with only an hour or two of your time required. Some of these will be aimed at younger clientele who hopefully will come along with their parents.

Golcar has been decided on for the Yorkshire Sprint Championship on Sunday 14<sup>th</sup> May 2017 with Rod Shaw planning. Dewsbury Urban map is ready for Sunday the 11<sup>th</sup> June 2017, anybody like to try his or her hand at planning?

Event Organisers, Planners and Controllers need to have attended an Event Safety Workshop course and we are arranging a suitable time for those who still need to do this training. It takes about 3 hours and the certificate lasts forever! at the moment.

Dave Morgan is co-ordinating the map library where we have the original maps made and used in the early days of EPOC to compare with the clubs updated maps.

Viv Barraclough and myself are booked on a 2 day Outdoor 1<sup>st</sup> Aid Course so we can deal with all eventualities. (I hope it is not as gory as the one I went on many years ago at Plas y Brenin). First Aid qualifications need to be updated every three years and we intend to send event helpers on a cyclical basis to fulfil BO obligations.

The upgrade of equipment and training does not come cheaply. A lot of money has been spent since the 15 January and a small group of people have done an incredible amount of work during this short time.

In order to cover the costs of the above and keep our equipment in serviceable condition it will be necessary to recover some of our outlay by putting on more open events but with the support and enthusiasm that I have experienced over the last 3 weeks we should comfortably cope.

Thank you.

*Jean Lochhead*

### **The EPOC Epistle is the club's bi-monthly newsletter**

All offerings to the Epistle, including photo's, are gratefully received, especially the unsolicited ones. Reports on small events are just as welcome as those on big events. It really helps if articles, photo's, reports, notices and gossip can be emailed directly to

me at

Copy to Emma by 20 March 2017

Look forward to hearing from you!

## Helping at an EPOC event?

Don't forget you can have half price entry to any EPOC event when you help out at an event in some way. If you need to pre-enter an event the discount code is available from the event organiser to claim a helper discount!

### Want to see how you rank on an unofficial BOF ranking list?

And you can also compare yourself with any other runner who regularly runs the same course. Go to <http://oobrien.com/stats/index> and enter your name and club. Very impressive!

## ORIENTEERING FOUNDATION

### Duncan Archer

The Orienteering Foundation is a charity, independent of British Orienteering, and seeks to promote innovation and to support people and projects in orienteering through fund-raising activities. We are keen to increase awareness of the Orienteering Foundation, both with potential donors, and with those who might seek to submit grant applications, and getting more links to our website is one way to do that. Of course if you were able to further help spread the word and otherwise help our cause, then so much the better, e.g.:

- passing this on to your newsletter editor to mention us
- mentioning us to your committee in case they have any projects that could benefit from our funding
- considering whether you personally might donate ☺

## UK Orienteering League 2017

The first event in this league is the British Night Championships on 25<sup>th</sup> February.

## Xplorer/Junior Development

*Viv Barraclough, Coach, East Pennine Orienteering Club*

Orienteering is to be included in West Yorkshire School Games Winter Festival at Beckett Park, Leeds on Saturday 25th March 2017. The competition is for KS2 pupils but there will be an open event held alongside it. Schools are encouraged to send competitors, there are no selection requirements.

**NEW !**

**Greenhead Park**

**ORIENTEERING  
COURSE**

A permanent Orienteering Course has been developed in Greenhead Park to give you the chance to try a non-competitive or leisure form of Orienteering. Use your map reading skills to navigate around a course of markers "controls".

There are four courses in the park. A & B two short courses, which are wheel friendly. The third one 'C' is longer and the fourth 'D' takes in all the controls.

A grid for you to complete with the code no's is set out on the map.

Maps for this permanent orienteering course and guidance can be downloaded from the EPOC Website "permanent courses".
