eSAG (Calderdale's **e**vents **S**afety **A**dvisory **G**roup) Promoting Creative, Sensible & Proportionate Event Management

Basically we don't need permission as long as we comply with BO rules and regulations and register the event for insurance.

Kirklees Urban Areas

If any road closures are needed (unlikely!) you will need to apply to Highways – Ian Nicholson looks after the Lindley/Birkby/Fartown areas – ian.nicholson@kirklees.gov.uk

If no closures are required, it is really about ensuring you have the correct public liability insurance* in place and a full risk assessment and stewarding plan is in place.

If you require any further help or advice regarding organising events or the permissions required, you can go to [Outdoor events planning | Kirklees Council](#) where you will find various information and guidance, alternatively you can get in touch with us and we will try to help.

Events and Tourism Officer
