Explanation

The control card, below, contains four suggested courses: 2 easy (wheel friendly), a medium and all the controls. Visit the controls in the order shown and mark the number you find on the control in the box.

These courses have been planned by EPOC in accordance with normal orienteering practice. However, it is not possible to keep a constant eye on the area, so users must accept that neither EPOC nor Kirklees Council can be held responsible for any accident, injury, loss or damage which may occur whilst orienteering.
